(1) in which 75 percent or more of the land area, excluding street rights-of-way, is devoted to or restricted to any combination of retail, restaurant, entertainment, office, government, or business uses; and

(2) that includes at least 20 commercial establishments.

(b) This section applies only to a municipality that:

2 (d) The governing body of the municipality shall order an
3 election on the issue and prepare the ballot for the election that
4 describes the boundaries of the proposed zone and permits voting
5 for or against one of the ballot issues prescribed by Section
6 501.035, Election Code, with respect to the proposed zone.

7 (e) The qualified voters of a municipality may petition the
8 governing body of the municipality, in the manner prescribed by
9 Chapter 501, Election Code, to order an election to alter the status
10 of the sale of any type or classification of alcoholic beverages
11 that has been legalized in a zone by an election conducted under
12 this section.

18 (g) The provisions for conducting a local option election
19 under Chapter 501, Election Code, apply to an election conducted
20 under this section to the extent those provisions do not conflict
21 with this section.

22 (h) The results of an election conducted under this section
23 do not affect the legal sale of one or more types or classifications
24 of alcoholic beverages that are permitted in the zone because of the
25 zone's inclusion in a political subdivision.
