AN ACT
relating to eligibility for certain benefits provided under public assistance programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter C, Chapter 531, Government Code, is amended by adding Section 531.1081 to read as follows:

Sec. 531.1081. INTEGRITY OF CERTAIN PUBLIC ASSISTANCE PROGRAMS. (a) In this section:

(1) "Financial assistance benefits" means money payments under the federal Temporary Assistance for Needy Families program operated under Chapter 31, Human Resources Code, or under the state temporary assistance and support services program operated under Chapter 34, Human Resources Code.

(2) "Supplemental nutrition assistance benefits" means money payments under the supplemental nutrition assistance program operated under Chapter 33, Human Resources Code.

(b) To the extent not otherwise provided by this subtitle or Title 2, Human Resources Code, the commission shall develop and implement, in accordance with this section, methods for reducing abuse, fraud, and waste in public assistance programs.

(c) On a monthly basis, the commission shall:

(1) conduct electronic data matches with the Texas Lottery Commission to determine if a recipient of supplemental nutrition assistance benefits or a recipient's household member
received reportable lottery winnings;

(2) use the database system developed under Section 531.0214 to match vital statistics unit death records with a list of individuals eligible for financial assistance or supplemental nutrition assistance benefits, and ensure that any individual receiving assistance under either program who is discovered deceased has their eligibility for assistance promptly terminated; and

(3) review the out-of-state electronic benefit transfer card transactions made by a recipient of supplemental nutrition assistance benefits to determine whether those transactions indicate a possible change in the recipient's residence.

(d) The commission shall immediately review the eligibility of a recipient of public assistance benefits if the commission discovers information under this section that affects the recipient's eligibility.

(e) A recipient who fails to disclose lottery winnings that are required to be reported to the commission under a public assistance program presumptively commits a program violation.

(f) The executive commissioner shall adopt rules necessary to implement this section.

SECTION 2. Section 531.110, Government Code, is amended by amending Subsections (a), (b), and (e) and adding Subsections (a-1) and (c-1) to read as follows:

(a) In this section, "public assistance program" includes:

(1) Medicaid;
(2) the financial assistance program under Chapter 31, Human Resources Code; and

(3) a nutritional assistance program under Chapter 33, Human Resources Code, including the supplemental nutrition assistance program under that chapter.

(a-1) The commission shall conduct electronic data matches for a Medicaid recipient of benefits under a public assistance program at least quarterly to verify the identity, income, employment status, and other factors that affect the eligibility of the recipient.

(b) To verify eligibility of a recipient of public assistance program benefits [for Medicaid], the electronic data matching must match information provided by the recipient with information contained in databases maintained by appropriate federal and state agencies.

(c-1) The commission shall enter into a memorandum of understanding with each state agency from which data is required to conduct electronic data matches under this section and Section 531.1081.

(e) The executive commissioner shall establish procedures by which the commission, or a health and human services agency designated by the commission, verifies the electronic data matches conducted by the commission under this section. Not later than the 20th day after the date the electronic data match is verified, the commission shall remove from eligibility a recipient who is determined to be ineligible for a public assistance program [Medicaid].
SECTION 3.  Subchapter B, Chapter 32, Human Resources Code, is amended by adding Section 32.026101 to read as follows:

(b) The commission may accept eligibility assessments from an exchange, but the commission must determine the eligibility of an individual for Medicaid.

SECTION 4.  If before implementing any provision of this Act a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request the waiver or authorization and may delay implementing that provision until the waiver or authorization is granted.

SECTION 5.  This Act takes effect September 1, 2021.
