S.B. No. 2135

A BILL TO BE ENTITLED

AN ACT

relating to pathways to assist students in transitioning from high school to postsecondary education in cybersecurity.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter C, Chapter 61, Education Code, is amended by adding Section 61.09093 to read as follows:

Sec. 61.09093. CYBERSECURITY PATHWAYS. The board shall collaborate with the Texas Education Agency to develop pathways to assist students in transitioning from cybersecurity coursework or training in high school to a degree or certificate program in cybersecurity at an institution of higher education.

SECTION 2. This Act takes effect September 1, 2021.
