**IN RE: HB273** by Canales (Relating to the establishment of a pilot program for the issuance of digital identification.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

It is assumed that the costs associated with the bill's provisions relating to the establishment of a pilot program for the issuance of digital identification could be absorbed using existing resources.

This analysis assumes the provisions of the bill would not result in a significant impact on state correctional populations or on the demand for state correctional resources.

**Local Government Impact**
