**IN RE: HB390** by Thompson, Senfronia (relating to requirements for human trafficking awareness and prevention in commercial lodging establishments; authorizing a civil penalty.), **Committee Report 2nd House, Substituted**

**No significant fiscal implication to the State is anticipated.**

As the number of cases of noncompliance resulting in penalties is unknown, there may be an indeterminate amount of penalty revenue.

The bill would amend the Business & Commerce Code to require commercial lodging establishments to require that employees complete a state-approved annual training program in human trafficking awareness, as well as assign a civil penalty to commercial lodging establishments that violate the provisions laid out in Chapter 114 of the Business & Commerce Code.

According to the Office of the Attorney General and Office of Court Administration, no significant fiscal impact is anticipated.

**Local Government Impact**
