IN RE: HB960 by Allen (Relating to the location of certain public meetings for certain permits issued by the Texas Commission on Environmental Quality.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Water Code to require public meetings for certain permits issued by the Texas Commission on Environmental Quality (TCEQ) to be held in the house district in which the facility or proposed facility is or would located.

Based on the analysis of the TCEQ, it is assumed that duties and responsibilities associated with implementing the provisions of the bill could be absorbed with existing resources.
