Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

April 8, 2021

TO: Honorable James White, Chair, House Committee on Homeland Security & Public Safety

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1262 by Bowers (Relating to training for certain peace officers regarding trauma-informed techniques to facilitate interactions with homeless individuals.), **Committee Report 1st House, Substituted**

<p>No significant fiscal implication to the State is anticipated.</p>
--

It is assumed that the costs associated with the bill's provisions relating to training for certain peace officers regarding trauma-informed techniques to facilitate interactions with homeless individuals could be absorbed using existing resources. The Texas Commission on Law Enforcement indicates costs may include additional staff time and resources to research and contact local jurisdictions regarding the size of the homeless population, as well as software development to ensure compliance.

This analysis assumes the provisions of the bill would not result in a significant impact on state correctional populations or on the demand for state correctional resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
