

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 29, 2021

TO: Honorable Dan Patrick, Lieutenant Governor, Senate
Honorable Dade Phelan, Speaker of the House, House of Representatives

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1468 by Bell, Keith (Relating to virtual instruction at a public school and the satisfaction of teacher certification requirements through an internship teaching certain virtual courses.),
Conference Committee Report

No significant fiscal implication to the State is anticipated.

This bill would authorize a school district to develop procedures and curriculum for virtual courses not provided by the Texas Virtual School Network (TXVSN) or required to meet TXVSN course standards.

The bill would also allow districts to earn Foundation School Program (FSP) funding based on the time a student participates in the virtual course provided through the local remote learning program as a full-time student in average daily attendance.

TEA does not anticipate that the bill would have a significant impact on average daily attendance. TEA does anticipate that there would be a minimal cost related to implementing the provisions of the bill, but this analysis assumes that those costs could be absorbed within existing resources.

Local Government Impact

There would be costs to school districts who choose to operate virtual courses. Costs come from starting and maintaining virtual courses, designing policies to documents student participation and developing requirements related to tracking that participation, and the technology needed to design and maintain virtual courses and track participation.
