

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**March 25, 2021**

**TO:** Honorable Brooks Landgraf, Chair, House Committee on Environmental Regulation

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB1680** by Smith (Relating to the regulation of on-site sewage disposal systems on certain leased land that is owned by the federal government.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code to require that separately leased individual parts of land owned by the federal government be considered separately for the purposes of regulation of on-site sewage disposal systems on these lands.

Based on the analysis of the Texas Commission on Environmental Quality, it is assumed that duties and responsibilities associated with implementing the provisions of the bill could be absorbed with existing resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
