FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

March 23, 2021

TO: Honorable Angie Chen Button, Chair, House Committee on International Relations & Economic Development

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1695 by Raney (Relating to establishing reimbursement rates for certain child-care providers participating in the subsidized child-care program administered by the Texas Workforce Commission.), **As Introduced**

No significant fiscal implication to the State is anticipated.

Based on information provided by the Texas Workforce Commission (TWC), it is assumed that the costs associated with the bill's provisions relating to establishing reimbursement rates for certain child-care providers participating in the subsidized child-care program administered by TWC could be absorbed using existing resources, provided the technology changes required for implementation of the bill can be aligned with the agency's current information technology project for the new Child Care Case Management System, scheduled to be completed in fiscal year 2022.

Local Government Impact

No fiscal implication to units of local government is anticipated.
