

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 12, 2021

TO: Honorable Robert Nichols, Chair, Senate Committee on Transportation

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB1863 by Bucy (Relating to the issuance of Make-A-Wish specialty license plates.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Subchapter G, Chapter 504 of the Transportation Code to require the Texas Department of Motor Vehicles (TxDMV) to issue "Make-A-Wish" specialty license plates. The bill would stipulate that the fee for issuance of the plates, after deduction for DMV administrative costs, is to be deposited to an account created by the Comptroller in the License Plate Trust Fund and may only be used by the Health and Human Services Commission (HHSC) to make grants to a certain nonprofit organization. The bill would take effect on September 1, 2021.

Based on information provided by DMV and HHSC, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agencies' existing resources. The fee for issuance of a specialty license plate under Subchapter G, Chapter 504 of the Transportation Code is \$30.00. Out of this amount \$7.50 would be deposited to the Texas Department of Motor Vehicles Fund for TxDMV administrative costs, \$0.50 would be retained by the counties for administrative costs, and the remaining \$22.00 would be deposited to the License Plate Trust Fund, pursuant to Transportation Code §504.6012, for use by HHSC as authorized by the bill. Based on the information and analysis provided by DMV, it is assumed the issuance of the new specialty plate would not result in a significant fiscal impact to the State.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
