Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 17, 2021

TO: Honorable Lois W. Kolkhorst, Chair, Senate Committee on Health & Human Services

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2052 by Klick (Relating to public access to certain hospital investigation information and materials.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would expand the information related to complaints and investigations concerning a hospital or mental health hospital that is subject to public disclosure. The bill would require the Health and Human Services Commission to post certain information regarding alleged violations by a hospital or mental health hospital on the commission's website.

This analysis assumes there would be a minimal cost associated with implementing the provisions of the bill that could be absorbed within current resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
