FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

March 23, 2021

TO: Honorable Philip Cortez, Chair, House Committee on Urban Affairs

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2205 by Romero, Jr. (Relating to applicability of the International Swimming Pool and Spa Code to certain pools, spas, and other swimming areas.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code to require the executive commissioner of the Health and Human Services Commission to adopt rules for pool safety standards necessary to prevent drowning that comply with a version of the International Swimming Pool and Spa Code, that is not older than the version in effect on May 1, 2019.

Additionally, the bill would allow a municipality to adopt a more recent version of the International Swimming Pool and Spa Code to apply in the municipality.

The Health and Human Services Commission indicates any cost to implement provisions of the bill would be minimal and can be absorbed within available resources.
