Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 21, 2021

TO: Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: **HB2205** by Romero, Jr. (relating to applicability of the International Swimming Pool and Spa Code to certain pools, spas, and other swimming areas.), **Committee Report 2nd House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code to require the executive commissioner of the Health and Human Services Commission to adopt rules for pool safety standards necessary to prevent drowning that comply with a version of the International Swimming Pool and Spa Code, excluding certain regulatory and enforcement requirements, that is not older than the version in effect on May 1, 2019.

Additionally, the bill would allow a municipality to adopt a more recent version of the International Swimming Pool and Spa Code to apply in the municipality.

The Department of State Health Services and the Health and Human Services Commission indicate any cost to implement provisions of the bill would be minimal and can be absorbed within available resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
