**No significant fiscal implication to the State is anticipated.**

The bill would amend the Civil Practice and Remedies Code to provide that, in a suit involving a health care liability claim against a chiropractor, a person may qualify as an expert witness on the issue of the causal relationship between the alleged departure from accepted standards of care and the injury, harm, or damages claimed if the person is a chiropractor or physician and is otherwise qualified to render opinions on that causal relationship under the Texas Rules of Evidence.
