Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

March 19, 2021

TO: Honorable Morgan Meyer, Chair, House Committee on Ways & Means

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2429 by Meyer (Relating to the alternate provisions for ad valorem tax rate notices when the de minimis rate of a taxing unit exceeds the voter-approval tax rate.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend Chapter 26 of the Tax Code, regarding property taxation and assessment, to add language to required tax rate notices for taxing units that are not required to hold a tax rate election and for which qualified voters may not petition to hold an election. The bill would require the notice to include the de minimis rate in the list of rates and definitions for de minimis rate and voter-approval tax rate. The bill would not affect taxable property values, tax rates, collection rates, or any other variable that might affect the revenues of units of local governments or the state.

This bill would take effect immediately upon enactment if it receives the requisite two-thirds majority votes in both houses of the Legislature. Otherwise, it would take effect September 1, 2021.

Local Government Impact

No fiscal implication to units of local government is anticipated.
