**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**April 16, 2021**

**TO:** Honorable Harold V. Dutton, Jr., Chair, House Committee on Public Education

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB2846** by Coleman (Relating to a notification requirement if a public school, including an open-enrollment charter school, does not have a nurse assigned to the school during all instructional hours.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

It is assumed that the costs associated with the bill's provisions relating to a notification requirement if a public school, including an open-enrollment charter school, does not have a nurse assigned to the school during all instructional hours could be absorbed using existing resources.

**Local Government Impact**

There may be some costs to specific school districts and charter schools required to provide a parental notice.
