FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 21, 2021

TO: Honorable Larry Taylor, Chair, Senate Committee on Education

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB2954 by Thompson, Senfronia (Relating to a suicide prevention, intervention, and postvention program for certain public elementary schools.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

It is assumed that the costs associated with the bill's provisions relating to a suicide prevention, intervention, and postvention program for certain public elementary school campuses could be absorbed using existing resources.

Local Government Impact

School districts and charter schools that establish a local suicide prevention, intervention, and postvention program may incur additional costs of participation, including the provision of significant resources to participating schools.
