FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

March 28, 2021

TO: Honorable Victoria Neave, Chair, House Committee on Juvenile Justice & Family Issues

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB3009 by Ramos (Relating to child custody evaluations.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Family Code to provide that in appointing a child custody evaluator in a suit in which a party subject to the child custody evaluation does not speak English as a primary language, the court must ensure the evaluator is able to effectively communicate in the party's primary language or will be accompanied by a certified interpreter.

Based on information provided by the Office of Court Administration, no significant fiscal impact to the state court system is anticipated as a result from implementing the provisions of the bill.

Local Government Impact

According to the Texas Association of Counties, the bill's provisions could have a significant fiscal impact on counties with Domestic Relations Offices (DROs). However, the extent of the impact cannot be estimated at this time.
