IN RE: HB3023 by King, Ken (relating to the eligibility of certain events for funding under the Major Events Reimbursement Program.), **Committee Report 2nd House, Substituted**

The fiscal implications of the bill cannot be determined at this time. The fiscal impact would depend on the number and size of events covered under the bill.

This bill would amend Sections 478.0001(3) and (7) of the Government Code to include certain events as eligible for funding under the Major Events Reimbursement Program. The bill would also amend statute to add certain organizations to the list of site selection organizations.

According to the Office of the Governor, the fiscal impact of the bill to the state cannot be determined without information from the event organizers' application. This includes the market area, venue size, and attendee spending behavior.
