

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**March 28, 2021**

**TO:** Honorable Morgan Meyer, Chair, House Committee on Ways & Means

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB3134** by Cole (Relating to the methods by which the comptroller may provide notice of a hearing to suspend a permit or license.), **As Introduced**

<b>No fiscal implication to the State is anticipated.</b>
---

The bill would amend Section 111.0047 of the Tax Code, relating to the suspension or revocation of a permit or license.

The bill would allow the Comptroller to deliver through electronic means notice of a hearing to suspend or revoke a permit or license. Notice of the hearing would be addressed to the holder's e-mail address as it appears in the Comptroller's records.

The Comptroller of Public Accounts indicates the bill would have no revenue implications for the state or units of local government and that amended Subsection 111.0047 (d) is mis-numbered as 111.0047 (b) in the bill..

The bill would take effect September 1, 2021.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
