**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**April 26, 2021**

**TO:** Honorable Terry Canales, Chair, House Committee on Transportation

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB3533** by Martinez (Relating to the security requirement for the issuance or renewal of a motor vehicle dealer general distinguishing number or a wholesale motor vehicle auction general distinguishing number.), **As Introduced**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend §503.033 of the Transportation Code to increase the surety bond requirement for issuance or renewal of a motor vehicle dealer general distinguishing number (GDN) or a wholesale motor vehicle auction GDN and require a dealer to post notice of the bond and information on how a claimant may recover against the surety bond. The bill would require the Texas Department of Motor Vehicles (TxDMV) to post on the agency's website the procedure for making a claim against a dealer surety bond.

Based on the information provided by TxDMV, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
