**TO:** Honorable Ken King, Chair, House Committee on Culture, Recreation & Tourism

**IN RE: HB3644** by Ashby (Relating to a memorial monument dedicated to emergency medical services personnel in the State Cemetery.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend Section 2165.2561 of the Government Code to direct the State Cemetery Committee to erect a memorial monument in the State Cemetery dedicated to emergency medical services personnel.

According to the Comptroller's office, the State Cemetery Preservation Trust Fund – 0902, which is a fund held outside the treasury, could be used to erect and maintain the memorial monument. Based on analysis provided by the Preservation Board, it is assumed that the costs associated with the bill could be absorbed using existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
