

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

April 19, 2021

TO: Honorable Tom Oliverson, Chair, House Committee on Insurance

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB3922 by Oliverson (Relating to information provided by health care providers and hospitals to certain patients regarding pharmaceutical manufacturer patient assistance programs for insulin.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would require health care providers and hospitals that received uncompensated care pool payments to provide a patient diagnosed with diabetes who requires insulin information regarding the availability of pharmaceutical manufacturer patient assistance programs that may reduce the cost of insulin to the patient. The Health and Human Services Commission indicates it could absorb the costs associated with the bill within current resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
