

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**March 19, 2021**

**TO:** Honorable Bryan Hughes, Chair, Senate Committee on State Affairs

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: SB394** by Lucio (relating to abortion complication reporting and the regulation of drug-induced abortion procedures, providers, and facilities; creating a criminal offense.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code as it relates to the regulation of and criminal penalties for drug-induced abortion procedures. Under the provisions of the bill, a person would commit a state jail felony if they intentionally, knowingly, or recklessly violated the abortion-inducing drugs subchapter as outlined in the bill.

The Health and Human Services Commission and Texas Medical Board anticipate the impact could be absorbed within existing agency resources. This analysis assumes implementing the provisions of the bill addressing felony sanctions would not result in a significant impact on the demand for state correctional resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
