Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

March 13, 2021

TO: Honorable Bryan Hughes, Chair, Senate Committee on State Affairs

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB650 by Campbell (Relating to prohibited logistical support by a governmental entity for procurement of an abortion or the services of an abortion provider.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would prohibit a governmental entity from entering into a taxpayer resource transaction or appropriate or spend money to provide to any person logistical support for the express purpose of assisting a woman with procuring an abortion or the services of an abortion provider. Taxpayer resource transactions deemed, by the executive commissioner of the Health and Human Services Commission (HHSC) with written confirmation from the Attorney General, as required by federal law would be excluded from the prohibition. The Attorney General would be permitted to enjoin a violation of the prohibition on behalf of the state.

HHSC and the Office of the Attorney General indicate any cost to implement provisions of the bill would be minimal and can be absorbed within available resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
