**IN RE: SB766** by Huffman (Relating to requiring sexually oriented businesses to participate in the federal electronic verification of employment authorization program, or E-verify; creating a criminal offense.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

It is assumed that the costs associated with the bill's provisions relating to requiring sexually oriented businesses to participate in the federal electronic verification of employment authorization program, or E-verify; creating a criminal offense could be absorbed using existing resources.

This analysis assumes the provisions of the bill addressing sanctions for criminal offenses would not result in a significant impact on state correctional agencies.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
