**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**May 14, 2021**

**TO:** Honorable Jim Murphy, Chair, House Committee on Higher Education

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: SB1094** by Creighton (relating to the payment of certain education expenses using the state's programs for paying, prepaying, or saving toward the costs of attending an institution of higher education.), **Committee Report 2nd House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend Chapter 54 of the Education Code to expand the Prepaid Higher Education Tuition Program to allow tuition units to pay for tuition and required fees at registered apprenticeship programs.

Based on the analysis provided by the Higher Education Coordinating Board and the Comptroller of Public Accounts, it is assumed that the costs associated with the provisions of the bill relating to the payment of tuition and required fees at registered apprenticeship programs using a prepaid tuition contract could be absorbed using existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
