

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION

May 10, 2021

TO: Honorable Terry Canales, Chair, House Committee on Transportation

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB1270 by Seliger (Relating to the procurement of certain goods and services related to highways by the Texas Department of Transportation.), **As Engrossed**

Shortening the procurement process for the Department of Transportation could create savings in staff time and procurement costs, though in an amount that cannot be determined.

The bill would amend the Transportation Code to give greater discretion to the Department of Transportation (TxDOT) to award certain contracts.

According to TxDOT, the bill would enable the agency to more expediently perform purchases for materials and services necessary for roadway repairs, ultimately resulting in a shortened procurement process that could create savings in staff time and procurement costs, though in an amount that cannot be determined.

According to the Comptroller of Public Accounts, the bill would have no revenue implications but the impact on TxDOT purchasing costs cannot be determined.

Local Government Impact

No fiscal implication to units of local government is anticipated.
