**IN RE: SB1323** by Hinojosa (Relating to preemployment physical examinations for employment with the Texas Department of Transportation.), **As Engrossed**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend Labor Code §505.054 to provide the Texas Department of Transportation (TxDOT) discretionary authority to require a preemployment physical examination instead of the statutory requirement for all employees of the department under that section in current law.

Based on the information provided by TxDOT, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
