**FISCAL NOTE, 87TH LEGISLATIVE REGULAR SESSION**

**April 5, 2021**

**TO:** Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: SB1810** by Hancock (Relating to the licensing and regulation of insurance professionals.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Insurance Code relating to the licensing and regulation of insurance professionals. Based on information provided by the Texas Department of Insurance, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

The bill would eliminate certain licenses and extend the duration of certain temporary licenses. Any revenue loss resulting from the elimination of licenses or the extension of the duration of temporary licenses would result in an increase in other fees or in insurance maintenance tax rates; therefore, there would be no fiscal impact to the State.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
