At 11:23 a.m., on the motion of the chair and without objection, the meeting was recessed until 11:55 a.m., October 3, 2022.

The committee reconvened at 12:03 p.m. and was called to order by the chair, Representative Harless.

The quorum call was answered as follows: Representatives Harless; Rose; Capriglione; Frank; Klick; Oliverson; and Walle.

A quorum was present.

(Representative Guerra participating virtually, pursuant to Rule 4, Section 16A.)

The committee heard testimony on the following interim charge:

Examine the potential impact of delayed care on the state's health care delivery system, health care costs, and patient health outcomes, as well as best practices for getting patients with foregone or delayed health interventions back into the health care system. The study should consider patient delays in obtaining preventative and primary health services, such as well-child care, prenatal care, screenings for cancer and chronic disease, behavioral health, and immunizations, in addition to delays in seeking urgent care for chronic illness.
