House Committee on Public Education

8/9/2022

The committee considered interim charge #1:

Monitor the agencies and programs under the Committee's jurisdiction and oversee the implementation of relevant legislation passed by the 87th Legislature. Conduct active oversight of all associated rulemaking and other governmental actions taken to ensure the intended legislative outcome of all legislation, including the following:

- HB 3906 (86R), relating to the assessment of public school students, including the development and administration of assessment instruments, and technology permitted for use by students.

(Representative Bernal now present.)

(Representative González, Mary now present.)

(Representative Talarico now present.)

Testimony taken/registration recorded. (See attached witness list.)

The committee considered interim charge #8:

Study the unfulfilled recommendations from the 2016 Commission on Next Generation Assessments and Accountability. Evaluate the state's progress on assessments and accountability and consider possible legislation to support the recommendations from the report. Study and recommend measures needed at the state level to prevent unintended consequences to students, campuses, and districts, including changes that could improve the system for students or help public schools serving a disproportionate number of educationally disadvantaged students impacted by the pandemic.

Testimony taken/registration recorded. (See attached witness list.)

At 2:37 p.m., on the motion of the chair and without objection, the meeting was adjourned subject to the call of the chair.

Rep. Dutton, Chair
