HB 262

HOUSE COMMITTEE ON JUDICIARY & CIVIL JURISPRUDENCE

---

Hearing Date: March 9, 2021 10:00 AM

---

Ben Shepperd

Self

Tyler, TX

This Bill unfairly protects trucking companies from the consequences of their actions. A friend's son was acting as a Good Samaritan when he was run over by a big rig that was at fault. Tell his widow and 2 young children that lawsuits are frivolous.. Please oppose this bill.

Eric Ehramjian

Fine Arts credits need to left in HS curriculum. CTE classes are not, and should not be considered a viable substitution.

Darryl CRAYTON, Truck Driver

Self

DeSoto, TX

Darryl CRAYTON I was seriously injured by an truck driver that fell asleep behind the wheel of an 18 wheeler total disability back surgery knee surgery foot surgery ankle surgery elbow surgery forearm surgery need neck surgery ptsd because of the truck Driver took away my livelihood mentally Physically financially never be the same
