HB 695

HOUSE COMMITTEE ON HIGHER EDUCATION

I support HB 695 because the costs of a legal education should not bar talented Rio Grande Valley citizens from attending law school. I was fortunate enough to be able to attend Law School at Texas Tech School of Law over 600 miles away. However, I know of so many people who were more gifted and talented than me who wanted to attend law school, but lacked the financial ability or freedom to do so far away from the Rio Grande Valley. We should make a law school happen because it is an investment in our talented and gifted people in the Rio Grande Valley, and because it's the right thing to do. The Rio Grande Valley is one of the biggest metro areas in Texas, that lacks a law school.
