Vote against. This country needs to be tougher on criminals so they may think twice about committing crimes.

Wake up to the worth and dignity of everyone and create laws to respect people, not cage them. Investing in mental health care is much better than incarcerating them and growing mean jailers with lies and inhumanity. i know some good jailers and they've told me they cannot speak up on behalf of inmates who they find to be kind and considerate or simply sick and in need of tender, love and care. Jails are old school and inhumane.
