

PUBLIC COMMENTS

HB 2386

HOUSE COMMITTEE ON CORRECTIONS

---

Hearing Date: March 24, 2021 8:00 AM

---

Jacob Belous

Libertarian

Little elm, TX

Marijuana prohibition is unconstitutional I'm RASTAFARI and the 1st amendment covers me.

Kelley Shannon, Executive Director

Freedom of Information Foundation of Texas

Austin, TX

The Freedom of Information Foundation of Texas supports HB 2386. The identity of a manufacturer of an execution drug and details about that drug should be public information. This transparency helps to hold government accountable when carrying out a death sentence, the ultimate penalty for a crime.
