

PUBLIC COMMENTS

HB 2569

HOUSE COMMITTEE ON COUNTY AFFAIRS

---

Hearing Date: April 1, 2021 10:30 AM - or upon final adjourn./recess or bill referral if permission granted

---

Nathan Mendenhall

Hays County Fire Marshals Office

San Marcos, TX

Please log my opposition to this bill. As a county fire marshal in a growing county of 250,000+, further extending fireworks sales periods causes increased demand on the staff of my office which already has limited resources. Adding another day of fireworks sales further increases the danger to the public by causing increased fire department and emergency response calls for incidents involving fires and injuries caused by fireworks.
