HB 3267

HOUSE COMMITTEE ON WAYS & MEANS

---

Hearing Date: April 26, 2021 10:00 AM - or upon final adjourn./recess or bill referral if permission granted

Jeff Coyle, Asst. City Manager

City of San Antonio

San Antonio, TX

This bill is the result of a developer trying to escape paying costs they agreed to when the agreement was originally entered into 15 years ago. They have been benefiting from the TIRZ (Hunters Pond) and now that they are facing having to pay for services, they are trying to get the legislature to void the agreement (again, that they entered into willingly). If the developer has claims to make, they could pursue them in court.
