Please stop the stealing of our liberties. I would have never thought this is the America where I grew up. Please vote against these liberty stealing bills.

I am opposed to this bill because it creates new government power to ban the free expression of my Christian beliefs. It takes away my freedoms and elevates those who don't share my beliefs and values to a higher status of freedom.

Agreed, we see the power grab and decisions/agenda that are being pushed federally. Protect the greater purpose, by and for we the people not just the 'easily offended' and avoid being subject to any potentially fraudulent push and manipulation from suppression to the general public/ John Q. Public.
