Texas Parent to Parent wishes to register our support for HB3761 and thank Rep Guillen for filing it. We do have one suggestion. The bill covers HCS and TxHmL users. There are CLASS users who are denied Medicaid renewal for clerical errors, such as when HHS workers don't understand the difference between people who are 1916b vs. Disabled Adult Child. CLASS users on the CDS model are then in a situation where they lose attendants until this can be worked out, and thus can't get out of bed in the morning, to be bathed, be fed or bathroomed, etc. We recommend that CLASS and DBMD be added to HCS and TxHL. In spite of these suggestions we are FOR this bill. Thank you.
