HB 4492

HOUSE COMMITTEE ON STATE AFFAIRS

---

Hearing Date: April 1, 2021 8:00 AM

---

suzy Robinson

Self

McGregor, TX

Would like to know names of the companies and people responsible maintaining and servicing our (Texas) part of the grid. After the storm that took out most of the grid here in Texas I want to understand how that happened and what provision and over site there is at the moment and what can be expected from now on.
