HB 4577

HOUSE COMMITTEE ON COUNTY AFFAIRS

Hearing Date: April 8, 2021 10:30 AM - or upon final adjourn./recess or bill referral if permission granted

Emanuel Preston, LCDC, PRSS

Willie Carter Community Outreach Center

Port Arthur, TX

It is my belief that intravenous drug users will find ways to acquire syringes, even if they are dirty and have been previously used. Therefore, a syringe program will be a very good health program to implement wherever possible throughout the state of Texas.

William Scott

Chambers County Improvement District No. 1

Beaumont, TX

CHAMBERS COUNTY IMPROVEMENT DISTRICT NO. 1
2727 ALLEN PARKWAY, SUITE 1100
HOUSTON, TEXAS 77019

VIA ELECTRONIC SUBMISSION

Chairman Garnet Coleman
and Members of the House Committee on County Affairs

Re: House Bill 4577

Gentlemen:

Please be advised that the Board of Directors of Chambers County Improvement District No. 1 (the "District") fully supports House Bill 4577, which is critical to allowing further economic development and employment growth in the greater Baytown area of Chambers County. We would be happy to provide additional background and information at the Committee's request.

Very truly yours,

William F. Scott, President
