

PUBLIC COMMENTS

HB 4661

HOUSE COMMITTEE ON STATE AFFAIRS

---

Hearing Date: April 29, 2021 8:00 AM

---

Kathy Turner

self, retired

McGregor, TX

I support this bill with the exception that it does not go far enough to protect victims from sexual harassment , in that the Commission is not mandated to deny, suspend or revoke the registration of a perpetrator after due process has been honored. The may should be changed to shall. Thank you for hearing this bill.
