**** MEETING CANCELED ****

Today's House Human Services Committee hearing has been cancelled due to lack of a quorum of the Texas House of Representatives. A call has been placed on the House to secure the attendance of absent members, and until a quorum of the House is secured, no committee hearings may be conducted.

The Committee will meet in a public hearing and hear invited testimony on the following interim charge:

- Monitor the impact of children, including unaccompanied minors, crossing the Texas-Mexico border on the Department of Family and Protective Services child protective services programs. Consider ways to encourage consistent, transparent, and timely review of abuse and neglect of these children. Consider strategies to ensure better coordination and collaboration among local agencies, faith-based organizations, the private sector, non-profits, and law enforcement to reduce the incidence of abuse and neglect fatalities and human trafficking of migrating children. Identify any particularized services that these children will need and assess the costs of providing these services.

For those persons who will be testifying, information for in-person witness registration can be found here:
