**IN RE: HB4030** by Smithee (Relating to the licensing and regulation of insurance professionals.), **As Passed  
2nd House**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Insurance Code relating to the licensing and regulation of insurance professionals. Based on information provided by the Texas Department of Insurance (TDI) and the Comptroller of Public Accounts, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

The bill would eliminate certain licenses and extend the duration of certain temporary licenses. Any revenue loss resulting from the elimination of licenses or the extension of the duration of temporary licenses would result in an increase in other fees or in insurance maintenance tax rates; therefore, there would be no fiscal impact to the State.

Based on information provided by the Texas Department of Insurance (TDI) and the Comptroller of Public Accounts, this analysis assumes that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

Based on information provided by TDI, the bill would result in a decrease in filing fees relating to branch offices. Based on fiscal year 2020 activity, TDI expects a decrease of \$183,000 in filing fees. Insurance licensing fees are deposited into General Revenue Account 36, a self-leveling account. Any revenue loss resulting from the elimination of licenses or the extension of the duration of temporary licenses would result in an increase in other fees or in insurance maintenance tax rates; therefore, there would be no fiscal impact on the state.
