SECTION 1. Section 44.004(c), Education Code, is amended to read as follows:

(c) The notice of public meeting to discuss and adopt the budget and the proposed tax rate may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 18-point or larger type. Subject to Subsection (d), the notice must:

(1) contain a statement in the following form:

"NOTICE OF PUBLIC MEETING TO DISCUSS BUDGET AND PROPOSED TAX RATE

"The (name of school district) will hold a public meeting at (time, date, year) in (name of room, building, physical location, city, state). The purpose of this meeting is to discuss the school district's budget that will determine the tax rate that will be adopted. Public participation in the discussion is invited." The statement of the purpose of the meeting must be in bold type. In reduced type, the notice must state: "The tax rate that is ultimately adopted at this meeting or at a separate meeting at a later date may not exceed the proposed rate shown below unless the district publishes a revised notice containing the same information and comparisons set out below and holds another public meeting to discuss the revised notice." In addition, in reduced type, the notice must state: "Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property."

(2) contain a section entitled "Comparison of Proposed Budget with Last Year's Budget," which must show the difference, expressed as a percent increase or decrease, as

applicable, in the amounts budgeted for the preceding fiscal year and the amount budgeted for the fiscal year that begins in the current tax year for each of the following:

(A) maintenance and operations;

(B) debt service; and

(C) total expenditures;

(3) contain a section entitled "Total Appraised Value and Total Taxable Value," which must show the total appraised value and the total taxable value of all property and the total appraised value and the total taxable value of new property taxable by the district in the preceding tax year and the current tax year as calculated under Section 26.04, Tax Code;

(4) contain a statement of the total amount of the outstanding and unpaid bonded indebtedness of the school district;

(5) contain a section entitled "Comparison of Proposed Rates with Last Year's Rates," which must:

(A) show in rows the tax rates described by Subparagraphs (i)-(iii), expressed as amounts per \$100 valuation of property, for columns entitled "Maintenance & Operations," "Interest & Sinking Fund," and "Total," which is the sum of "Maintenance & Operations" and "Interest & Sinking Fund":

(i) the school district's "Last Year's Rate";

(ii) the "Rate to Maintain Same Level of Maintenance & Operations Revenue & Pay Debt Service," which:

(a) in the case of "Maintenance & Operations," is the tax rate that, when applied to the current taxable value for the district, as certified by the chief appraiser under Section 26.01, Tax Code, and as adjusted to reflect changes made by the chief appraiser as of the time the notice is prepared, would impose taxes in an amount that, when added to state funds to be distributed to the district under Chapter 48, would provide the same amount of maintenance and operations taxes and

state funds distributed under Chapter 48 per student in average daily attendance for the applicable school year that was available to the district in the preceding school year; and (b) in the case of "Interest & Sinking Fund," is the tax rate that, when applied to the current taxable value for the district, as certified by the chief appraiser under Section 26.01, Tax Code, and as adjusted to reflect changes made by the chief appraiser as of the time the notice is prepared, and when multiplied by the district's anticipated collection rate, would impose taxes in an amount that, when added to state funds to be distributed to the district under Chapter 46 and any excess taxes collected to service the district's debt during the preceding tax year but not used for that purpose during that year, would provide the amount required to service the district's debt; and

(iii) the "Proposed Rate";

(B) contain fourth and fifth columns aligned with the columns required by Paragraph (A) that show, for each row required by Paragraph (A):

(i) the "Local Revenue per Student," which is computed by multiplying the district's total taxable value of property, as certified by the chief appraiser for the applicable school year under Section 26.01, Tax Code, and as adjusted to reflect changes made by the chief appraiser as of the time the notice is prepared, by the total tax rate, and dividing the product by the number of students in average daily attendance in the district for the applicable school year; and

(ii) the "State Revenue per Student," which is computed by determining the amount of state aid received or to be received by the district under Chapters 43, 46, and 48 and dividing that amount by the number of students in average

The bonds, and the tax rate necessary to pay those bonds, were approved by the voters of this district.";

(6) contain a section entitled "Comparison of Proposed Levy with Last Year's Levy on Average Residence," which must:

(A) show in rows the information described by Subparagraphs (i)-(iv), rounded to the nearest dollar, for columns entitled "Last Year" and "This Year":

(i) "Average Market Value of Residences," determined using the same group of residences for each year;

(ii) "Average Taxable Value of Residences," determined after taking into account the limitation on the appraised value of residences under Section 23.23, Tax Code, and after subtracting all homestead exemptions applicable in each year, other than exemptions available only to disabled persons or persons 65 years of age or older or their surviving spouses, and using the same group of residences for each year;

(iii) "Last Year's Rate Versus Proposed Rate per \$100 Value"; and

(iv) "Taxes Due on Average Residence," determined using the same group of residences for each year; and

(B) contain the following information: "Increase (Decrease) in Taxes" expressed in dollars and cents, which is computed by subtracting the "Taxes Due on Average Residence" for the preceding tax year from the "Taxes Due on Average Residence" for the current tax year;

(7) contain the following statement in bold print: "Under state law, the dollar amount of school taxes imposed on the residence of a person 65 years of age or older or of the surviving spouse of such a person, if the surviving spouse was 55 years of age or older when the person died, may not be increased above the amount paid in the first year after the person turned 65, regardless of changes in tax rate or property value.";

(8) contain the following statement in bold print: "Notice of Voter-Approval Rate: The highest tax rate the district can adopt before requiring voter approval at an election is (the school district voter-approval rate determined under Section 26.08, Tax Code). This election will be automatically held if the district adopts a rate in excess of the voter-approval rate of (the school district voter-approval rate)."; and

(9) contain a section entitled "Fund Balances," which must include the estimated amount of interest and sinking fund balances and the estimated amount of maintenance and operation or general fund balances remaining at the end of the current fiscal year that are not encumbered with or by corresponding debt obligation, less estimated funds necessary for the operation of the district before the receipt of the first payment under Chapter 48 in the succeeding school year.

SECTION 2. Section 25.19, Tax Code, is amended by adding Subsection (m) to read as follows:

(m) A notice required by Subsection (a) or (g) must include the following statement: "Beginning August 7th, visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access
