10 conflict between a provision of this chapter and:

11 (1) another provision of state law, the provision of
12 this chapter controls, subject to Section 540A.0002(b); and

13 (2) a provision of federal law or any authorization

21 adopt rules necessary to implement this chapter.

22 SUBCHAPTER B. ACUTE CARE

23 Sec. 540.0051. ELIGIBILITY FOR MEDICAID ACUTE CARE. (a) An
24 individual is eligible to receive acute care benefits under the
25 state Medicaid program if the individual:

26 (1) has a household income at or below 100 percent of
27 the federal poverty level;

1 (2) is under 19 years of age and:

2 (A) is receiving Supplemental Security Income
3 (SSI) under 42 U.S.C. Section 1381 et seq.; or

4 (B) is in foster care or resides in another
5 residential care setting under the conservatorship of the
6 Department of Family and Protective Services; or

7 (3) meets the eligibility requirements that were in
8 effect in this state on August 31, 2023.

9 (b) The commission shall provide acute care benefits under
10 the state Medicaid program to each individual eligible under this
11 section through the most cost-effective means, as determined by the
12 commission.

13 (c) If an individual is not eligible for the state Medicaid
14 program under Subsection (a), the commission shall refer the
15 individual to the program established under Chapter 540A that helps
16 connect eligible residents with health benefit plan coverage
17 through private market solutions, a health benefit exchange, or any
18 other resource the commission determines appropriate.

19 Sec. 540.0052. MEDICAID SLIDING SCALE SUBSIDIES. (a) An
20 individual who is eligible for the state Medicaid program under
21 Section 540.0051 may receive a Medicaid sliding scale subsidy to
22 purchase a health benefit plan from an authorized health benefit
23 plan issuer.

24 (b) A sliding scale subsidy provided to an individual under
25 this section must:

26 (1) be based on:

27 (A) the average premium in the market; and

1 (B) a realistic assessment of the individual's
2 ability to pay a portion of the premium; and

3 (2) include an enhancement for individuals who choose
4 a high deductible health plan with a health savings account.

5 (c) The commission shall ensure that counselors are made
6 available to individuals receiving a subsidy to advise the
7 individuals on selecting a health benefit plan that meets the
8 individuals' needs.

9 (d) An individual receiving a subsidy under this section is
10 responsible for paying:

11 (1) any difference between the premium costs
12 associated with the purchase of a health benefit plan and the amount
13 of the individual's subsidy under this section; and

14 (2) any copayments associated with the health benefit
15 plan, except to the extent the individual receives an additional
16 subsidy under Section 540.0053 to pay the copayments.

17 (e) If the amount of a subsidy received by an individual
18 under this section exceeds the premium costs associated with the
19 individual's purchase of a health benefit plan, the individual may
20 deposit the excess amount in a health savings account that may be
21 used only in the manner described by Section 540.0054(b).

22 Sec. 540.0053. ADDITIONAL COST-SHARING SUBSIDIES. In
23 addition to providing a subsidy to an individual under Section
24 540.0052, the commission shall provide additional subsidies for
25 coinsurance payments, copayments, deductibles, and other
26 cost-sharing requirements associated with the individual's health
27 benefit plan. The commission shall provide the additional

1 subsidies on a sliding scale based on income.

2 Sec. 540.0054. DELIVERY OF SUBSIDIES; HEALTH SAVINGS
3 ACCOUNTS. (a) The commission shall determine the most appropriate
4 manner for delivering and administering subsidies provided under
5 Sections 540.0052 and 540.0053. In determining the most
6 appropriate manner, the commission shall consider depositing
7 subsidy amounts for an individual in a health savings account
8 established for that individual.

9 (b) A health savings account established under this section
10 may be used only to:

11 (1) pay health benefit plan premiums and cost-sharing
12 amounts; and

13 (2) if appropriate, purchase health care-related
14 goods and services.

15 Sec. 540.0055. MEDICAID HEALTH BENEFIT PLAN ISSUERS AND
16 MINIMUM COVERAGE. The commission shall allow any health benefit
17 plan issuer authorized to write health benefit plans in this state
18 to participate in the state Medicaid program. The commission in
19 consultation with the commissioner of insurance shall establish
20 minimum coverage requirements for a health benefit plan to be
21 eligible for purchase under the state Medicaid program, subject to
22 the requirements specified by this chapter.

23 Sec. 540.0056. REINSURANCE FOR PARTICIPATING HEALTH
24 BENEFIT PLAN ISSUERS. (a) The commission in consultation with the
25 commissioner of insurance shall study a reinsurance program to
26 reinsure participating health benefit plan issuers.

27 (b) In examining options for a reinsurance program, the

1 commission and the commissioner of insurance shall consider a plan
2 design under which:

3 (1) a participating health benefit plan is not charged
4 a premium for the reinsurance; and

5 (2) the health benefit plan issuer retains risk on a
6 sliding scale.

7 SUBCHAPTER C. LONG-TERM SERVICES AND SUPPORTS

8 Sec. 540.0101. PLAN TO REFORM DELIVERY OF LONG-TERM
9 SERVICES AND SUPPORTS. The commission shall develop a
10 comprehensive plan to reform the delivery of long-term services and
11 supports that is designed to achieve the following objectives under
12 the state Medicaid program or any other program created as an
13 alternative to the state Medicaid program:

14 (1) encourage consumer direction;

15 (2) simplify and streamline the provision of services;

16 (3) provide flexibility to design benefits packages
17 that meet the needs of individuals receiving long-term services and
18 supports under the program;

19 (4) improve the cost-effectiveness and sustainability
20 of the provision of long-term services and supports;

21 (5) reduce reliance on institutional settings; and

22 (6) encourage cost-sharing by family members when
23 appropriate.
