

Amend **HB 2266** on third reading by adding the following appropriately lettered subsection to Section 60.002, Occupations Code, as added by the bill:

(\_\_\_\_) Notwithstanding any other provision of this section:

(1) a license holder may not bring an action under this section against a municipality if the license holder is an employee of the municipality; and

(2) an association of municipal employees who are license holders may not bring an action under this section if the action relates to a local law governing the working conditions of those employees.
