

Amend CSHB 2673 (house committee report) on page 2, line 7, by striking "a students' use of software applications;" and substituting the following:

a student's use of a software application, other than a software application necessary for the administration of:

(A) an assessment instrument under Subchapter B, Chapter 39; or

(B) an assessment relating to college, career, or military readiness for which student performance is considered in evaluating a school district's performance under Section 39.054;
